Antique, Vintage & Historic Motorcycle Parts for sale | eBay

A new design team began work on the fourth-generation Gold Wing in 1984. Honda describes prototype testing as involving sixty developmental stages, and building fifteen different test bikes, including one made from a GL1200 frame coupled with the original M1 engine so that a six-cylinder could be compared to a four-cylinder head-on. This early '70s prototype had an influence far beyond what ...
