A tax haven is a jurisdiction with very low "effective" rates of taxation for foreign investors ("headline" rates may be higher). In some traditional definitions, a tax haven also offers financial secrecy. However, while countries with high levels of secrecy but also high rates of taxation, most notably the United States and Germany in the Financial Secrecy Index ("FSI") rankings, can be ...

Had some confusion when email received saying DDP had tried to deliver a parcel to the Netherlands at 00.46 Contacted Parcel hero who looked into the matter and emailed back straight away to say that the driver had actually not attempted to deliver but had run out of time and delivery would be made later in the day. Parcel arrived as planned later that day. Would definitely use Parcel Hero again.
