Ford Expedition Police Equipment

The Ford Expedition is a full-size three-row SUV, manufactured by Ford. Introduced for the 1997 model year as the successor of the Ford Bronco, the Expedition was the first full-size Ford SUV sold with a four-door body. For its entire production life, the Ford Expedition has been derived from the corresponding generation of the Ford F-150 in production, sharing some body and mechanical components.

Ford Expedition - Wikipedia

Due to the variability of equipment installed, based on individual law-enforcement agency requirements, Ford does not test aftermarket equipment for functionality with Ford components. Law enforcement must balance needs for function and other officer safety concerns when equipping police vehicles with non-original equipment.
