Peterson Cutter Website - Welcome

On your original Ford battery, the first two characters in the code are a letter and a number. The letter is the month: A is for January, B is for February, and so on. The number is the last digit of the year of manufacture. So a code starting with A9 would mean the battery was made in January of 2009.

Choosing the right battery - Official Ford Owner Site

On your original Ford battery, the first two characters in the code are a letter and a number. The letter is the month: A is for January, B is for February, and so on. The number is the last digit of the year of manufacture. So a code starting with A9 would mean the battery was made in January of 2009.
