"It is the worst set of circumstances I've ever seen in a DUI case," said Craig Mordock of Mordock Legal in New Orleans, where he has defended over 500 DUI cases. If the evidence prosecutors are bringing forward is accurate, there are few, if any, mitigating factors that can help him, Mordock said. At this point, Ruggs can show only remorse ...

No, they are looking for what you might think of as a research protocol, so literally your background, literature review, hypotheses and methods. You would need to convey how this is a unique area of research that is novel and adds to the existing literature; they are assessing the novelty of your research and how you would conduct the study. PhD programs in the UK are heavily researched based ...

Dr. Karen's Rules of the Research Statement

Fourth, most relapses can be explained in terms of a few basic rules. Educating clients in these rules can help them focus on what is important: 1) change your life (recovery involves creating a new life where it is easier to not use); 2) be completely honest; 3) ask for help; 4) practice self-care; and 5) don't bend the rules. Keywords: relapse, relapse prevention, five rules of recovery ...
