Re: LX188 Surging Issue and Fuel leak UPDATE in reply to studebakerjim, 03-10-2012 11:09:17 Well while searching the forums and the internet for answers to my LX188 Surging issue, I found a lot of issues like mine however nobody ever announced what they found to be the problem.

LX188 Surging Issue and Fuel leak - Yesterday's Tractors

Hey I have a LX188 with the 17hp Kawasaki (water cooled) engine. This thing hunts terrible. When the unit runs there is no gas at all in the fuel filter. None. And it never fills up. All linkages are free to move no binding. All new fuel line so no leaks and still no fuel in filter. Solenoid works on the carb.

LX 188 Surging Issue - Yesterday's Tractors

I have a John Deere lx188 lawn tractor that is giving me fits lately. It started surging at idle and even during mowing when the PTO is engaged. I did some research on this problem and seems common. So I cleaned all the fuel lines and blew compressed air through them. Replaced the fuel filter. Removed the tank, emptied gas and cleaned it out.
