Chapter 3-6 Summary Chapter 3: Lumet begins by talking about visual style and how important it is. There is one interesting section that I liked where he talks about how he thinks the phrase "style is separate from function," is totally wrong. Style is something that makes the audience feel a certain way just like the...

Making Movies Chapter 3-6 Summary | Indfilmchamplainkyle

In the book, "Making Movies" by Sidney Lumet, the iconic director describes a lens plot as the way your camera tells the story. A lens plot, he says, is like a "style guide" — a way to make sure everything in the visuals serves the story, character, and theme. This approach to filmmaking creates unity between the script and the film.
