Why should you focus on video marketing today? The last handful of years saw a surge in the popularity of video as a content marketing format. Specifically, in 2017, video rise to the top of your marketing tactic list.Video as a tactic was likely streamlined by your creative team as a one-to-many awareness play, with lots of focus on expensive production and little analysis to show for it.

### The Ultimate Guide to Video Marketing - HubSpot

Most businesses have an 80/20 rule where 80 percent of the business is done by 20 percent of the people. The real estate industry is skewed much greater than that. In fact, you might be amazed to know that 93% of all real estate transactions are completed by 7% of the members. That is staggering! What this means is one thing - there is a lot of room for disappointment by picking the wrong ...
