## **R. M. Hare, Objective Prescriptions and Other Essays ...**

R. M. Hare has brought together in this volume the best of his uncollected essays in moral philosophy, several of them previously unpublished or revised for this collection. They span the whole range of his ethical interests, from the most abstract to the most down-to-earth. The reader will find here the bases of his ethical theory in Kantian prescriptivism, utilitarianism, and the logic of ...

Classical and modern social theorists commonly claim that "objective" knowledge is possible, although knowledge can be distorted by ideology, as Marx says; or it can be interpreted and understood using a cultural lens, as Weber notes; or it can only be translated into our language which has no "natural" connection with reality, as Durkheim believes. In line with Durkheim, structuralists argue ...

Simply crushing the tablet can negate the controlled-release effect of the drug, enabling abusers to swallow or snort the drug for a powerful morphinelike high. The tablet can also be crushed, mixed with water and injected. In this paper I discuss the abuse of OxyContin and other prescription painkillers.

Conclusion Of Drug Abuse. Drug abuse is rife in many countries. Every society, every age and ethnic group, every social class, and every family has been touched by the devastating effects of drug addiction. Billions of dollars are spent regulating drug use, treating addicts and their families, and fighting drug-related crime. Although drugs threaten many homes and societies, their effects can ...
