Redefining Equality

"Redefining Equality is a collection of well-written essays by prominent scholars on hot problems concerning judicial review and equality. [The book] neatly pinpoints many of the complex issues of legal equality that have arisen in the 1990s and presents readers with a variety of perspectives on those questions."--Mark Graber, Department of Government and Politics, University of Maryland, College Park

Redefining Equality. (eBook, 1998) [WorldCat.org]

Redefining civil rights to include a license for criminality has taken the noble cause of racial equality down an unfortunate path that must be reversed. Black America must reject the temptation to support this initiative. The good news is that recent surveys are showing blacks supporting greater not lesser law enforcement funding.
