Even if it's only been a short time, being a part of mentoring and Griffith Mates has really been wonderful. I have gained more friends, tried things I have never done, been able to give back, and have gained slightly more confidence (I hope). Too many nursing students, I feel, don't get to experience these things because of the stress.

Reflections of a student nurse - Explore

21 st Century nursing is the glue that holds a patient's health care journey together. Across the entire patient experience, and wherever there is someone in need of care, nurses work tirelessly to identify and protect the needs of the individual.
