American Revolution was not just the product of the Imperial Crisis, brought on by Parliament's attempt to impose a new idea of empire on the American colonies. To an equal or greater degree, it was a response to the inability of individual colonial governments to deliver basic services, which undermined their legitimacy.

(Pub.L. 108-357) was a federal tax act that repealed the export tax incentive (ETI), which had been declared illegal by the World Trade Organization several times and sparked retaliatory tariffs by the European Union. It also contained numerous tax credits for agricultural and business institutions as well as the repeal of excise taxes on both fuel and
