Trump The Press Don Surbers

The rise of Donald Trump to the presidency, and the news media's inability to foresee it have greatly amused Surber. Using wit, logic, and the media's own words and predictions against

Trump won

Surber, a recovering journalist with over 30 years of experience, was recently inspired to consolidate his many posts on the woefully inaccurate punditry concerning Trump's campaign for his new book: Trump the Press. Trump the Press is a savvy, witty read that had me engaged from the first sentence. I read my copy in one sitting, on

In 2016, Donald John Trump did something that I don't believe any president has done before by winning every Senate race in every state he carried. Republicans were 22-0 in the 30 states he carried. Even FDR in 1932 failed to shut out his opponents. Naturally, the imbeciles in the press box got it wrong.
